CRYSTAL CLEAR

Venusrox

This Notting Hill institution and purveyor of beautiful objects specialises in stunning natural crystals and bespoke jewellery.

Versatile and captivating, the uncut crystals and polished spheres can either add a glamorous accent to a room or act as an eye-catching centrepiece.

25 All Saints Road, W11; venusrox.com

WHAT A GEM

Kim Sera

Central Saint Martins graduate Sera Kim has turned her years of experience as a graphic designer to homewares. The result? A terrifically charming set of plates, napkins and cushions, all of which have been promptly added to our Christmas list.

From £18; kimsera.com

SITTING PRETTY

Raft Furniture

There are few things as comforting on a cold winter night as snuggling into the corner of the couch with a blanket and a book. Incidentally, few sofas are as inviting as the Oscar from Raft Furniture – an essential addition to any living room this Christmas.

From £1,468; raftfurniture.co.uk

THE ART OF CRAFT

Simon Orrell

This month we're coveting this stunning geometric Avila Cabinet from Simon Orrell Designs. Crafted with blue and black straw marquetry, this eye-catching piece would look best against a boldly painted wall to really showcase its drama.
