

## Products • Sideboards

### InsidherLand

Handcrafted with walnut veneer, Unveil is finished with half gloss varnished doors and a sycamore veneer interior in half gloss varnish plus bronzed glass shelves. At 85cm-high x 200cm-wide x 50cm-deep, the metal frame, handles and feet are finished with brass. [insidherland.com](http://insidherland.com)

### Simon Orrell Designs

Simon Orrell Designs showcases the Tivoli Credenza in straw marquetry. Featuring a brass frame and limed oak interior, it is 90cm-high x 200cm-wide x 60cm-deep. Available in any bespoke colour, the intricate pattern and light shimmer finish create a statement. [simonorrelldesigns.com](http://simonorrelldesigns.com)

### Laskasas

This newly introduced vintage-inspired Brown sideboard by Laskasas features a wooden surface with rounded ends. The trimmed metallic details provide decoration, which compliments the marble top which can also be customised in wood. Measuring 240cm-wide x 50cm-deep x 85cm-high, the four-door unit exudes a Mid-century feel. [laskasas.com](http://laskasas.com)

Next month, our special focus will be on kitchen and bathroom taps, including some of the latest launches from this year's ISH exhibition in Frankfurt
